CUM AGAIN AND AGAIN

Do you realize that in just over a year, Viagra® will be twenty years old. That's holding up pretty well (pun intended). Now it's become the standard bearer for all boner pills on the market. And there are many to choose from. Artificial, natural, fast-acting and more. The internet has made these, real and fake, pills easily accessible and the result on male potency is mixed. Initially for erectile dysfunction (ED), where a man couldn't get it or keep it up, these pills were a blessing. Now, they're being used as an enhancement to sexual activity by men of all ages, sometimes with negative consequences. So guys, please be careful!

Many men in their sixties say they use boner pills on a regular basis. "Just because there's snow on the rooftop, doesn't mean there's no fire down below." seems to be their new motto. And now, thanks to these boner pills, the fire seems to be raging all over the planet.

Men in their fifties that use these pills to keep it up, have become much more open about ED. Boner pills have made this age group more virile and sexual where as twenty years ago, sex was mundane and frustrating for both partners.

More than 30% of men in their forties have admitted to using boner pills. These mostly married men feel that they need to maintain the spark in their marriage and say that they often use the little pill without telling their wives. This in one little blue lie we can live with.

That jumps us to college guys and their infatuation with boner pills. They are relatively easy to get, from their fathers, from their doctors, over the internet. They are used and traded for like a new sexual monetary system. Most guys say the pills allow them to stay harder for a

much longer time. They didn't necessarily need to take a pill to keep it up, but just wanted to 'stretch out' the length of time they could have sex.

The most unnecessary test for these enhancers is the adult industry. Boner pills are the hottest element in porn today for male performers, and that also affects the female performers in more subtle ways.

Thanks to these pills, the more seasoned porn guys have given way to the so called 'boner boys.' These new young guys, who without the boner pill, would never be able to perform in front of a whole crew of people. Even though many porn directors have embraced the 'boner boys' who are able to perform instantly, the pill is much less popular with the female porn stars.

Jolie, a three-year starlet states that it's often very easy to figure out who's taken a boner pill. She says, "Their face and chest become red, making the guy I'm with look unattractive." Others complain the pills keep guys hard for way too long and their pussies and asses can't take the long poundings.

Tiffani was finishing up some things around the back yard and heard loud noises coming from the upstairs living room. She hustles up the spiral stairs only to find her mom's boyfriend, Tyler, playing video games and not doing the dishes as he promised. Tyler was totally giving her an attitude about it, but Tiffani ignored him and decided that the best way to get him to do things was to

seduce him. Tyler hesitated at first, but didn't want to get in trouble for not doing the dishes, so she went to town on him. First it was some deliberate cock-sucking telling him he need to help out, between sucks. Then she laid back on the sofa and told him that if he didn't fuck her, she's break all his video games. Well, that was it for him. He stuck his cock in her and they spent the afternoon thinking of punishments and consequences.

A woman with long brown hair, wearing a white long-sleeved blouse and a black skirt, is sitting on a modern-style desk. She is looking towards the camera. A laptop is open on the desk in front of her. The background shows an office environment with a yellow wall and a window with blinds.

Demanding

If Claudia wants it, Claudia gets it. When her boss was too busy on a call with an overseas client to pay her any mind, she decided to get his attention by any means necessary. While he finished his call, he wanted to discuss the matters at hand but Claudia decided to unbutton her blouse and lower her skirt to make her point. She finally re-

moved her panties and dropped them into his lap. What did it take to finally shake her boss from his duties? When Claudia pressed her eager lips to the tip of his cock, her boss found himself unable to resist her warm mouth and wet sucking lips. Minutes later, he returned the favor by licking and fingering her office pussy until it screamed for his cock. Settling back in his big office chair, he then slipped his throbbing cock deep inside of her. Not wanting to disappoint, he then fucked her ass until she came in ecstasy over and over.

THE MORE MEN THE BETTER

*Kade and I have an understanding...
I want to have many lovers, but he gets the best loving from me.*

In the past, I found out that Kade and I each had a number of sexual partners. My first was at the age of eighteen with another student during my first year in college. We shacked up for a whole weekend. Back then, that was pretty adventurous for me. Since then, I've been attracted to many different types of men, and even sampled a woman or two. While I find women attractive and good lovers, there's just something about a man and a cock that drives me wild. For the past three years, a man from a town up the freeway has been coming into my antique shop pretty regularly. First I thought he was a competitor with his own shop, but found out as we talked one Sunday morning, that he was an auctioneer and furniture appraiser who wanted to keep current on the merchandise that was floating around the region.

He was quite handsome and in great shape for his years. His name's Loren and I found myself checking him out more and more. I would tell Kade when Loren would stop in the shop and tell me about other antique stores in the county. One morning before going to work, Kade says to me, "I think you're attracted to Loren, aren't you?" I never lied to Kade before because I loved him too much. "I guess I've talked too much about him and maybe you think so. But I do admit that I find him attractive." I said. We talked some more, touching hands and caressing cheeks. Even though Kade and

I didn't have an open marriage, we did try swapping with a couple in the town where we had lived. We even went to strip clubs where I would buy lap dances for my man. That was all

I felt for Loren's cock, undoing his belt and his pants, pulling them and his boxers down. His cock sprang out.

great fun, but we've settled down into a more mundane existence that we both acknowledge. Unfortunately, our lives and careers do keep us in that "rut." Looking at me over his coffee cup, Kade says that he doesn't mind if I see him, but with a few conditions. The first

was that we were very discreet about it. No screwing around in the shop or even in town. Second, was not to bring another without his knowing about it. And the third was that it be no more than one tryst at a time.

I was very surprised at what I was hearing from Kade, but I was getting very excited inside. I got to the shop a little late that morning and anxiously waited for Loren to stop by. The afternoon drifted by and no Loren. As I was closing, I hear his classic Mercedes pull into the parking lot and the door slam as he got out.

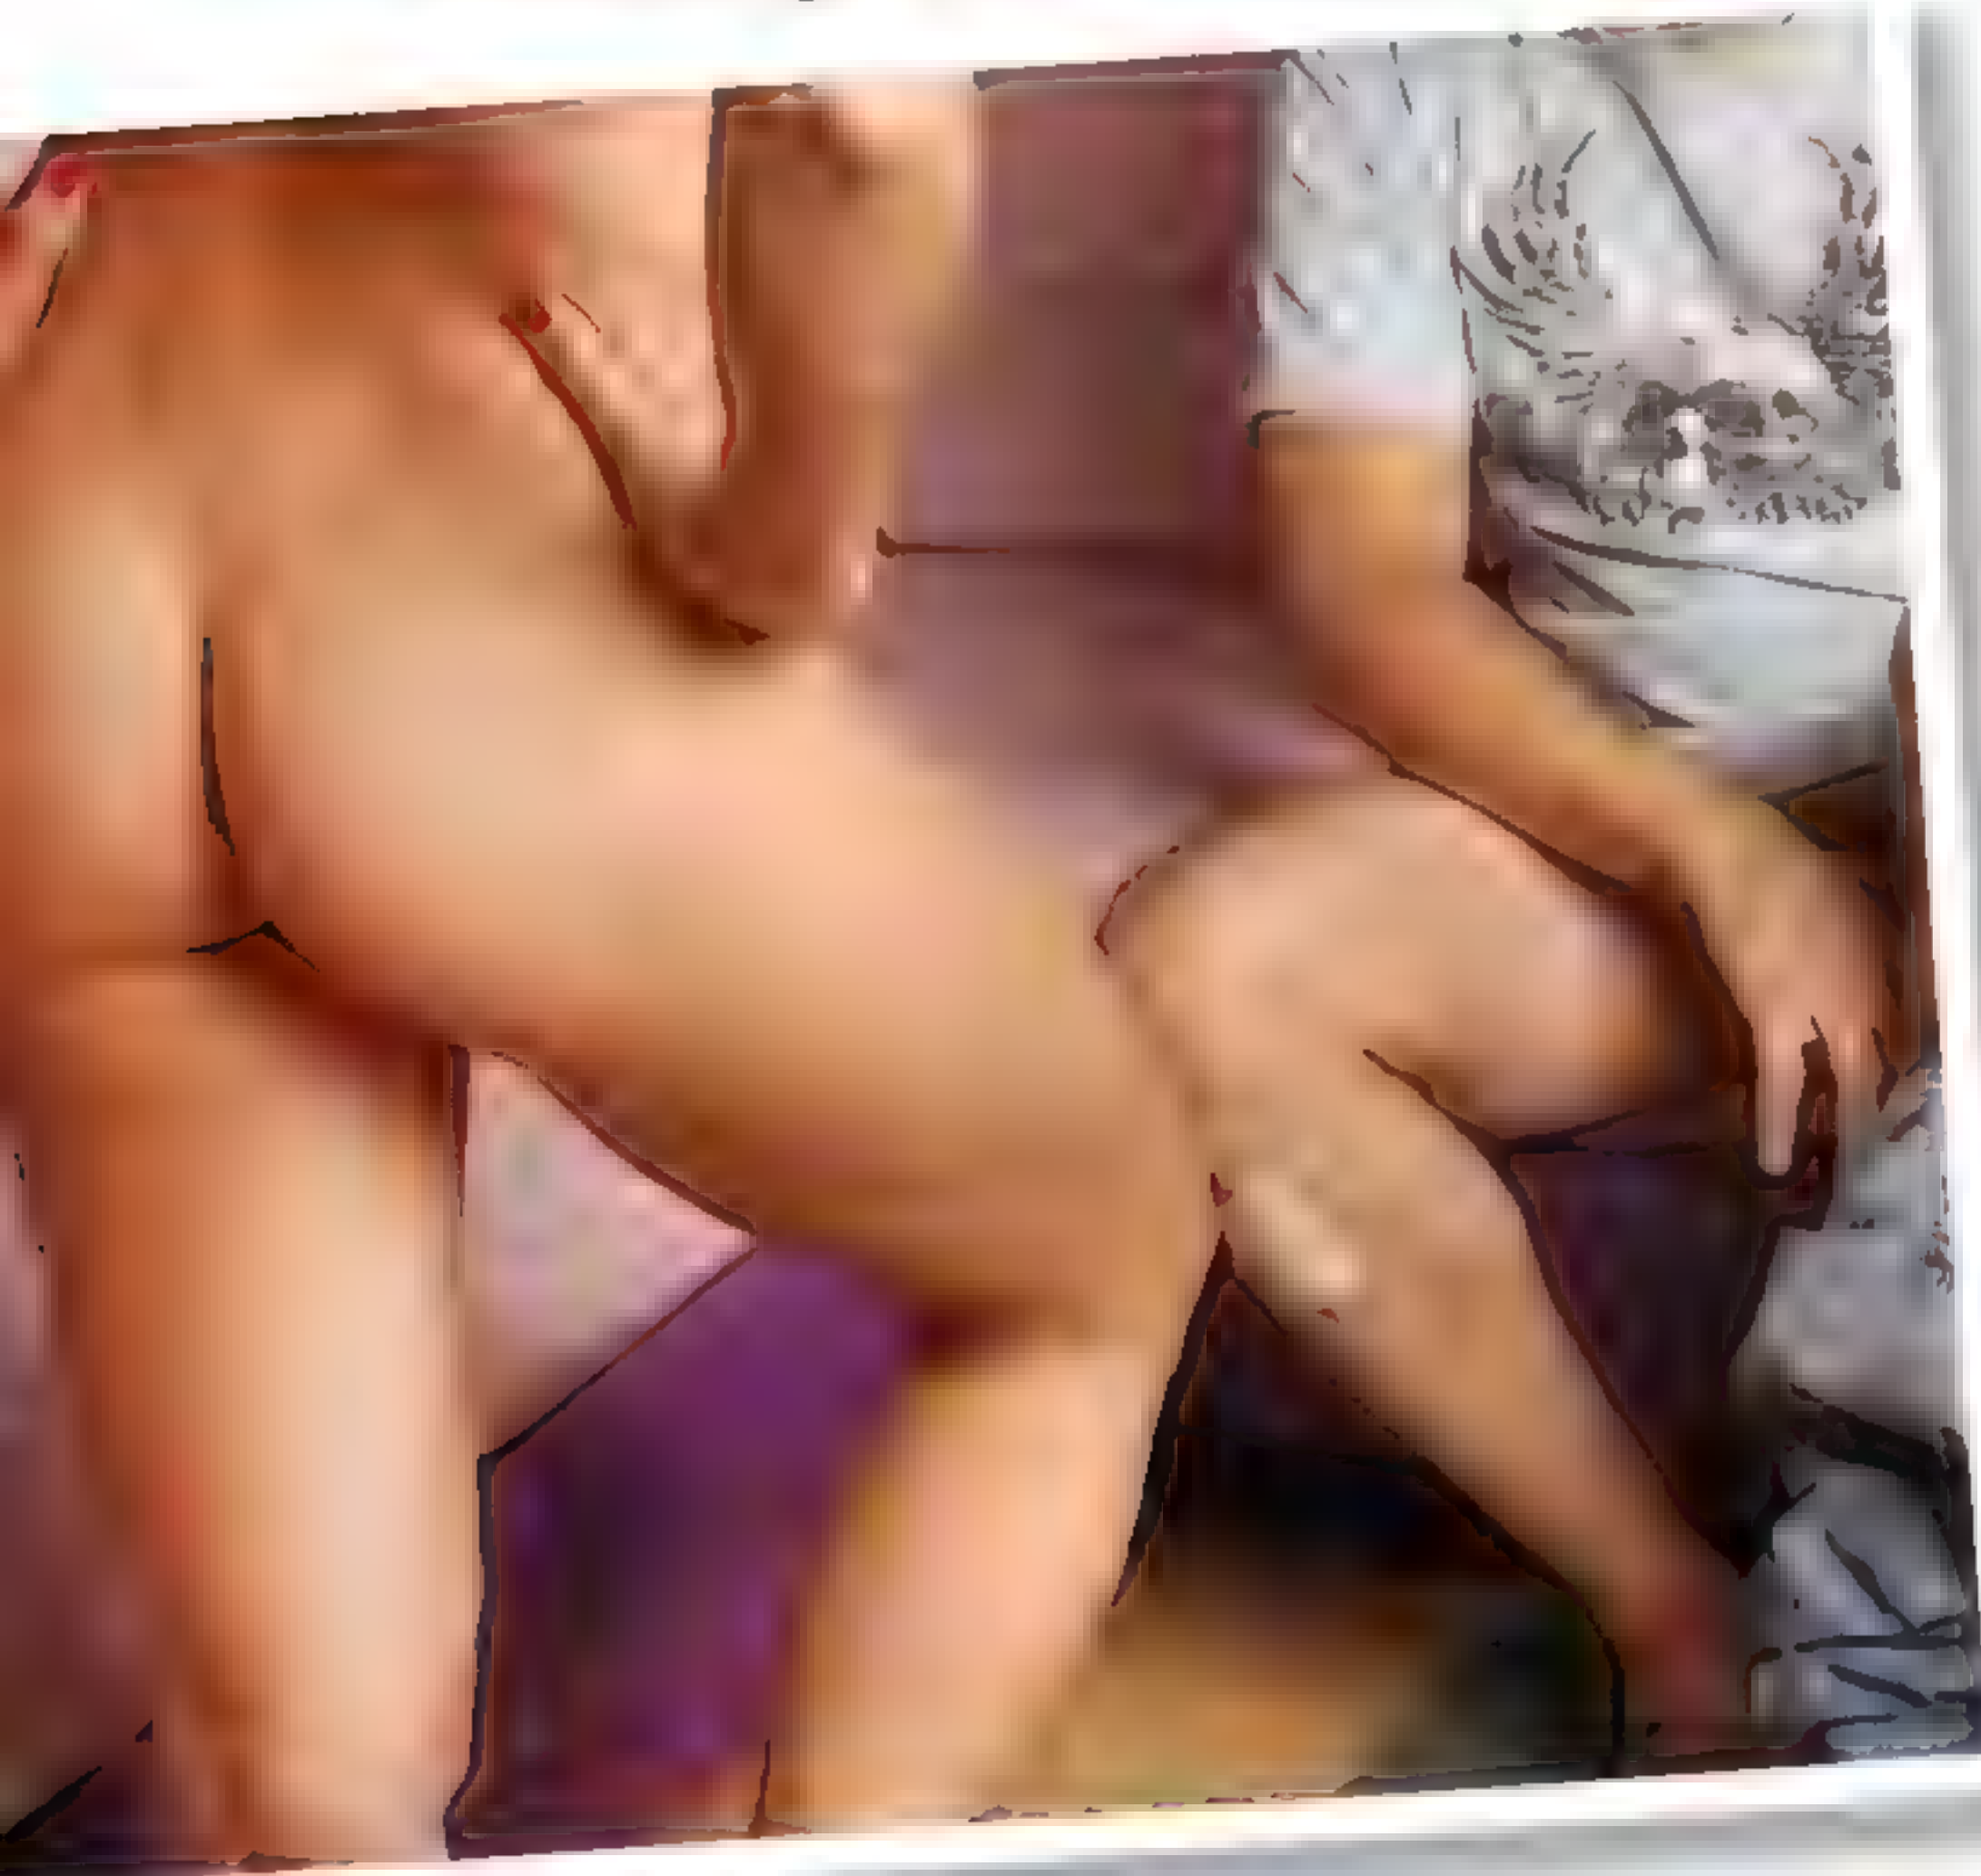

"I was hoping to catch you." he said. "I found a great armoire in the next town over that's coming up for auction on Tuesday and I thought you might be interested in it." He pulls out a picture of it and hands it to me. I look at it and told him I might be. We made small talk until I got up the nerves to tell him about my conversation with Kade. He didn't have much to say. It was a surprise to him too, but before we left, he told me that he'd love to take me up on it. That he kept coming back to my shop because he wanted to see me, too. We agreed to meet on Tuesday night after the auction.

That Tuesday I rushed home, cleaned up and dressed in as little as was proper. It was late July and very warm and humid so I was able to get away with a thin summer dress with just my panties and bra underneath. "I hope everything turns out well for you tonight." Kade said as he watched me get ready. I smiled at him and gave him a big hug and kiss as I headed off to the auction.

I get to the auction and grab a seat a few rows back from Loren's podium. The armoire he showed me came up and the bidding was furious. Eventually, I lost out, but saved the \$500 it sold for. After the auction ended we got into Loren's huge SUV and drove off to somewhere he had planned and parked. The backseat of the SUV was huge, like a black living room sofa. We sat on the big back seat and right away Loren started caressing my breasts as we kissed. My nipples were already erect and I felt my pussy getting moist as he worked his fingers around my nipples. Loren soon had my dress unbuttoned and was slipping my bra straps down to kiss and caress my breasts. I quickly threw off

the dress, then took off my bra. I lay back in just my sheer lace panties as he worked his way down to remove them.

He kissed his way down my body, pulling my panties down as he got there, then he kissed the lips of my pussy. I love having my pussy licked and Loren knew just what he was doing as he

tongue-fucked me. I came immediately. I felt for Loren's cock, undoing his belt and his pants, pulling them and his boxers down. His cock sprang out. I bent down and kissed it, then took it in my mouth and sucked. In between sucks, I used my hands to stroke and squeeze him at the same time. After several minutes, he moved over me and I felt the big head of his cock between my open pussy lips. He eased it in as far as it would go. I grabbed him and pulled his hips hard into me so I could feel him deeper.

After many minutes, I moved and he slipped out, but that just gave me the opportunity to grab his organ and pull it into my mouth. I began to suck and lick him. I pulled his legs out and forced him on his back on the seat. I now had direct access to his balls and started on them. I rolled them around using my tongue and he gave out a loud squeal. I kissed the area below his balls while stroking his cock with both hands. He bent his legs and grabbed them behind the knees pulling his butt more into the air. Taking his cue, I licked around his butthole making it wet for my tongue. I played around there for a few minutes as we fixed eyes on each other. Working my way back past his balls back to his throbbing cock, I stuffed it down my throat.

After ten minutes of my superb cock-sucking, he pulls my head up, sits up a little and pulls my hips so I would sit on him. Once again his hard cock slides inside my pussy. I rode him like a cowboy rides a bronco bracing myself on the seat-back. I murmured and groaned into his ear as we fucked hard for more than thirty minutes. The car windows were so fogged up, they started running from all the moisture we had built up.

Loren finally came as I felt his cock give one last mighty thrust and I fell over on top of him playing with his balls for that final release. We gathered up our clothes and ourselves and he drove me back to my car. Sitting in the parking lot, he asked if he could see me again. I said I would like that and invited him by my store to make the next arrangement.

I got home after midnight that night and found Kade in the living room waiting for me like a doting parent. "I trust your evening went well?" he quizzes. "Yes, it did," I replied. As I took off my dress, I was naked underneath. I had not put my bra and panties back on. I sat on the sofa next to him and took the book from his lap. As I lifted it, I could see that he had a major erection under it. I grabbed his cock and slowly started stroking it. I whispered the events of the evening in his ear and could feel him getting even harder. Kade then pulls me on top of him and in one swift motion I mount him and he jams his throbbing cock inside my ass. I squeal and let him have his way. He deserved it.

I enjoyed both Loren and Kade for several months before Loren left for Florida to take care of his ailing mother. Kade sensed that my mood had changed and I was sad almost every day. He asked if a new car would cheer me up and I said that it didn't matter to me. After some coaxing, he convinced me and we drove to the Mercedes dealer a few towns over. Kade was a man of his word, and after a few hours we had secured me a new car and I was smiling again. Kade went out to his car to get his checkbook for the down payment and I was alone with the salesman. He was a young, preppy looking kid. James was probably 25 years old and let slip that his dad owned the dealership. We flirted innocently until Kade came back. Signed and sealed, I left in my new car and took in the smell of it all the way home. It made me excited and my mind drifted back to the young salesman.

When we got home I thanked Kade with a wonderful supper and drew him a warm bath. I got in with him and we had a great time. I told him about my flirtatious few minutes with the car salesman and he told me that if I wanted him and it would make me feel better, then go ahead and date him. A couple weeks go by and I

was busy with my shop. Driving home one night a large rock from a cargo truck ahead of me hit and cracked my windshield. When I got home I called the dealership and they told me to bring it in the morning. Next day, I'm there bright and early sitting in the service lounge when James walks in to go to his desk. "Well good

morning, How nice to see you here. I hope you're here for a good reason." he says. I told him a rock cracked my windshield. He said he was sorry to hear that and offered me some coffee. I told him I'd just wait in the lounge. He insisted I stay there with him since Tuesday was a slow day. I agreed and we talked for an hour or so while he answered some calls and dealt with company business.

He offers to refill my cup but I told him I had plenty already this morning. Then suddenly the next moment he was kissing me passionately. I was quite surprised but did not push him away. He noticed and went to close his office blinds. He pushed himself into me and I could feel his morning wood pressing against my mound. Aroused, I felt for his cock. He took it as the signal to go further, he put his hands up under my skirt and pulled my panties down. As he was feeling my pussy, I pulled his trousers and boxers down and his cock sprung out. He soon had me bent over his desk and pushing it into my pussy. I let him fuck me, even kissed him while he was doing it and I quite enjoyed myself. He came quickly, pulling out just in time and spewing it on my ass. He got some tissue and cleaned me up. He zipped himself up and sat back behind his desk. We sat awkwardly for a moment and then he asked if he could see me again, and would my husband know? I took a moment to explain my arrangement with Kade.

We decided to meet on Thursdays, his day off, at his apartment in the city. This took me out of my small town and let me enjoy driving my new car. When I got home, I told Kade of my little escapade and he seemed quite amused. "So you found a new one? I had an inkling that it might be this guy." he said. I told him I hadn't expected it but it was convenient and I found James to be a nice guy. Young, but nice.

Next Thursday, I was at James' apartment at our appointed hour. He was clean and had spruced up his pad. He had a light lunch prepared for us and we spoke for a while before I stood him up. He surrendered as I pulled his pants down and went to my knees. He pulled my top off and my boobs rubbed on his legs as I began to suck his cock. He let out a moan as I swallowed all of his 7 inches down my throat. I pulled it out, grabbed my boobs and wrapped his cock in them and let him titty fuck my boobs. I stood up, grabbed his cock and led him over to the sofa. I pushed him down on it and bent over, ass in the air, and started sucking him again. He grabbed my swinging boobs and pinched my nipples. I gave out a little moan and lightly bit the tip of his cock in fun retaliation.

We switched positions and he laid me out on the couch. He gave my hot pussy a rub and spread my lips as he slid his tongue into me. He seemed a bit inexperienced at pussy-licking, so I grabbed his head and pulled it in tighter towards my pussy. His fervor increased as I moaned louder to egg him on. He came up for air and I could see my pussy juices all over his lips and chin.

Changing positions, I guided his stiff cock into me. I pushed inward meeting his thrusts. He grabbed my thighs and thrust hard into me until I screamed with delight. He then began to mercilessly pound deeper inside me. He slowed down and pulled his cock out and pulled me up onto my hands and knees. He pumped me slowly until his cock was all the way in and his balls rested on my pussy. He grinded his hips into me and I felt myself cumming. I moaned and felt him begin to do the same. He let loose a huge load inside me and let out a sigh of relief as he collapsed on top of me.

On the way home, I thought about my man Kade and his huge cock. Oh, James was fine, but now I appreciate Kade's love, maturity and willingness to please me – and allow me to be pleased. Of course, having a new lover meant that our incredible sexual bouts afterwards would give Kade and me great enjoyment for hours on end.

Jelene invited Tanya over for a 'girls only' party. However, Jelene is curious to know if the rumors at the office are true about Tanya being a muff-diver. But Tanya brushes the question off smoothly, evidently too shy to give Jelene the real answer. They talk about how Tanya hooked up with someone a few days ago, and she plays it off like it is was a guy, elaborating on how she had her pussy licked and

Jelene Jensen & Tanya Tate

how she came more than once. That only made Jelene want her more, thinking about her last lesbian escapade with her best friend. As they stare into each other's eyes, they can't help but to bring her lips closer together. Soon their hands are disrobing each other and the action is on. And we get to enjoy the fruits of their sexual desires.

I started fucking a lot when I turned 42 or so. My husband was away for a couple months and I got pretty lonely. I decided to do a guy I worked with, another I worked out with, and finally my hubby when he returned. When I fucked those other guys, we just did the missionary and doggie style and it was only in my pussy, although one did try to stick

Roxetta

a finger in my butt. No way, that's reserved for my husband. I did learn that I liked bigger cocks than I'd been getting and now a smaller one just won't satisfy me. Today, every once in a while, I'll stray and fuck a cute guy, but not for long. That's usually okay with them, too. Besides, I still have a husband to go home to every night. Now, I really would not call it cheating, okay, I would, but when you are lonely for months, what's a girl gonna do? And who's she gonna do it with?

Luscious

Megan hails from the hot Southwest, but even the weather there is cooler than her sexual temperature. She was walking along the beach as we got a glimpse of her on our daily walk. She was in her sexy purple bikini and we walked up and talked to her. She was really outgoing and adventurous so we asked if she would consider doing photos and a video. She said she had done a few and had a guy

she liked to fuck and he was not camera shy. We said that would be just wonderful. The next weekend we were on and Megan gave us one of the shows of ours lives! She started with a full on striptease and we worshipped that body of hers like there was no tomorrow! Megan was so fucking juicy, we couldn't wait to watch her get fucked. From her clean-shaven pussy to her fine natural boobs, she was a delight to behold as she did her acrobatic positions and ultimate scream at the end.

GAME'S ON

For the past fifteen years I've been a professional business woman who, like many businessmen, travel the country for my company. As you know, it gets lonely on the road, gone for weeks at a time with no family or affection for those non-business hours.

MY BEST ITALIAN GIRLFRIEND...

I was in Italy for a business trip vacation and wanted to pick up a local girl to accompany me on my trip. I'm a little on the shy side though, so it was really hard for me to work up the courage and bring a hot Italian girl back to my hotel. I got a chance to make my wish a reality when I went to a company party and she was there. She came to my hotel room later that night where I finally fulfilled

my dream of having sex with an Italian hottie. It's so cool to hear her moan in that beautiful foreign language. Ciao, baby!

• Jon, Pennsylvania

Men can probably find women easily in any city they're at. For a gay woman, that's bit harder. So I have to look a little harder and definitely more carefully for some companionship.

For the past week I'd been staying at a major hotel in Tampa. Also in the hotel were several college cheerleading teams in town for a competition. I ignored them as little nuisances running around the hotel. Later that evening I had finished dinner and was in the ladies room freshening up when a couple of them came in.

One caught my eye and I couldn't stop looking at her. She caught me looking and

I turned red and averted my eyes quickly. Sensing my embarrassment, she said "Hi." and I responded back with another, "Hi." Then out of nowhere I blurted out, "Are you here for a competition?" and she said she was. Her companion finished and ran out saying that she'd see her by the elevators. I told her "Good luck." and left. Over the next few days I'd see her again briefly in passing and asked one time how it was going. She said they were in second place but expected to win in the finals in a couple days. That night I went back to my room and masturbated to sexual thoughts of her.

To my amazing good fortune, I was in the ladies room again as she came in, alone this time. We said hello and made some small talk. I told her I was a manager for this large company on business and been there for a couple weeks and couldn't wait to get back home because I was getting lonely. She said she understood and looked at me. Unconsciously, I opened my purse and pulled out a few hundred dollar bills and blurted out. "I'll give you these and another two if you let me lick you." Realizing what I had said, I stuffed them back into my purse and fumbled to close it. That hesitation gave her the chance to respond. She had nodded. "O.K."

On the way to my room, she told me her name was Corey, cheer captain and 21 years old. Adding that she was not lesbian at all, but that she would do it for the money. I said that's okay.

In the room she quickly stripped out of her clothes. Her nipples were rock hard due to her excitement and arousal. She closed her eyes while I spread the girl's legs. Her

sweet pussy was completely shaved. Maybe that was the most perfect pussy I had ever seen.

I put my hands softly beneath the girl's firm ass cheeks and lifted her a bit, planting my first very soft and tender kiss onto Corey's pussy. I saw that she was becoming moist. I kept kissing and licking her slow and soft and with each kiss she was becoming more and more wet. I heard Corey breathing harder and she saw her bite her lips. Her pussy was quite swollen now. It shimmered with her wetness and now already had the wonderful smell of lust and sex. It was a wonderful smell. My tongue worked faster and harder. She moaned loud now. Her eyes still closed.

My tongue was now in between the girl's wonderful pussy lips trying to enter her pussy as deep as possible. Corey's tasty love-juices were flowing freely now. Her clit was already hard and swollen. I ate her pussy, opened her mouth to take in all the wonderful, tasty pussy juice, she kissed her softly and tried to fuck her with her tongue the next moment. I loved to hear that sounds of pleasure and pure sexual arousal and knew she was very close to cumming.

I stopped licking her and just planted soft butterfly kisses all over her body working my way up to her perfect breasts with nipples so very hard. I sucked on them as she pulled my head down onto them. I moved from one to the other until she pushed my head back down to her wetness. I softly kissed her clit and licked her pussy up and down her slit. Soon Corey's juices were all over me. I love that feeling.

Corey was moaning loud cries of sexual satisfaction. Her pussy was quivering. She cried out loud as she came to a long and loud climax. Her juices were flowing in a stream and my tongue was there to get as much of it as possible.

Corey laid back for several minutes, then got up to leave. I went to my purse to finish the transaction, but she said no. All she wanted was my phone number. I smiled and wrote down for her. Two weeks later I

receive a call from her. She told me that they won the championship. I congratulated her and the team. We talked for a while and she said their team was playing Georgia Tech in two weeks. I told her I'd be there rooting and waiting for her.

• Jessie, GA

NICE TO FUCK YOU

Out of the list of girl's from the modeling agency, not one of them was open to shooting with me. I guess they were all booked or my fee was too small. The agency promised to find me someone and they

came thru with Corey. She and I had met briefly the day before and when she found out she was getting to work with me, she told me she was looking forward to it. We made our plans as we flirted and laughed.

After our shoot we decided to fool around a little. This girl was a freak, from her really wet pussy to her insatiable appetite to suck cock. I could tell how much she wanted to suck my cock, but first I asked her to play with herself and let me watch her fuck herself with a red dildo. I watched as she got off and told me she wanted, no needed, some more. It felt really good to feel her soft wet lips on my cock. She sucked me good and as I was ready to cum, she finished me off by stroking my nine inch dick with a double handed handjob.

• Paulo, CA

RUB & SCRUB

I've been wanting to fuck my masseuse Jake for a long, long time. But he always respectfully refused my offer, citing his professionalism and ethics as a massage

therapist. But as he's buttering me up with oil and kneading and squeezing my big boobs, tight ass and cute little mound of pink pussy joy, he tells me he can't stand it any more! He pulls out his already-stiff big dick and promptly places it into my mouth, where I've always wanted it.

Passionate

Ivy had been very horny all morning before Francesca walked in. A dream she had during the night had left her wet and gasping. So, she was bubbling over with sexual anticipation when Francesca arrived. Francesca is 42 but keeps herself in good shape. An exotic brunette with a nice set of breasts and a stomach flatter than Kansas. Ivy could feel her juices start to well as she realized that pretty soon she'd be tasting

Ivy Winters & Francesca Le

Francesca's beauty with her tongue instead of her eyes. It's a wonder that Ivy didn't slip and fall on her own juices as she got closer to her prize. Francesca's pussy looked tighter than her buttocks and Ivy couldn't wait to dive in. Ivy was smelling her scent and getting even more turned on. It wasn't long before I was knuckle deep in her with her tongue lapping at her clit like waves on the shore. She had an amazing orgasm and was more than willing to reciprocate.

Tania says she wants to be a porn star, but first she has to get over the fact she's starting out a little older than most. She does make up for it by having a great body and a soon to be no more virgin asshole. Everyone has been saying do facials and cum shots. So she wanted us happy and did both! Tania does a great job at fucking as her tight asshole sucks up cock as a warm up to

Tania

a huge load dumped on her sweet face. Her reaction to having a cock in her ass the first time is priceless! We watch her get fucked and then finish up all over her. We can only hope that this lady doesn't get lost in the craziness of the business. But for now, she's a pleasure to watch and it looks like she may be doing it in front of the camera for a long time.
